

Join the PMPC at a Spring Event!

The Phoenix Mountains Preservation Council (PMPC) is partnering with Save Our Mountains Foundation for a celebration of the parks/preserves with music, education & beautiful scenery. We'll have a table at the North Mountain Visitors Center from 9 am to 1 pm where we can personally share how we've protected the preserves and what you can do to help us!

There will be a Coffee House Live Music Session from 9 am to 11 am. At 11:30, Ann Roseman with AIM at Melanoma Foundation will present a Sun Safety Talk with free sunscreen samples and other sun safety prizes.

Both the PMPC and Save Our Mountains Foundation are local non-profit organizations whose missions are to protect and improve the preserves throughout the City of Phoenix. Learn more about both at the Spring Event or visiting their websites. Consider making a donation while you're there!
